

## NFB MINUTES FOR GENERAL MEETINGS GOING BACK TO DECEMBER

### General Meeting 2 Dec 2015

Officer Larry Dace, the new QOL officer, spoke to the group as Officer Franklin had been in an accident. He discussed the recent shooting in Bunny Friend Park and stated that there were no big issues in Bywater. There is a problem with S&WB covers being stolen.

Mike Simmons of The Red House, 2820 St. Claude, spoke about plans to turn it into a reception hall. As this property is in Marigny he did this simply as a neighborly courtesy. The business has a contract with NOCCA for parking. He also has a catering-reception place at Race and Religious streets in the lower garden district. They will go before the CPC next week.

Jeanne Nathan was scheduled to discuss plans for the area around the cruise ship terminal, but arrived as people were leaving the meeting. She did announce a workshop to be held on the issue December 10th at the Andrew P. Sanchez Center.

It was also announced that the buyers of the Holy Angels campus would hold an NPP on December 18th at Holy Angels.

Via Latrobe

The CPC has changed its recommendations to 260 units and does not require parking be bundled in with rent.

Anthony Eschmann,  
Secretary
