Someone from the mayor's outreach program wants to speak about supporting the two millage increases.

The Inspector General for the city would like to address us at a meeting. Julie will coordinate this with him at his convenience.

We agreed to send a letter in support of Chaz Fest as we have done in the past.

The next board meeting will be on April 20 at John Andrews house.

Tyler Harwood will bring the food to the next general meeting.

Brian described his (and Julie's) meeting with Stacy Head about short-term rentals. He feels that the best course for us to take is to place a limit on commercially licenced ones and the density of all STRs.
