

NFB Minutes General Meeting January 4, 2017

Instead of a meeting, the association hosted a "Fourth Night Party." Food was provided by local restaurants that are new (Cheezy Cajun), have a new chef (Country Club) or are about to open (Bywater Bakery, Bratz Y'All), as well as long-term caterers Sally's Country Gourmet Foods. Many thanks to all these vendors for either comping us their wares or selling them at a discount. Some of the members and the board also provided food and bubbly. Thanks to everybody for contributing and, especially, for coming. There was a big turn-out, and people enjoyed a chance to socialize and have fun.
